

CT2264

Fine Tip Digital Multimeter Probe

Individual color, extended slimline probe body

Description

Individual probe body features one of the highest safety rating of IEC 61010-031: 1,000 V CAT IV. It also provides extended length with a very sharp stainless steel tip, ideal for a long reach and contact oxide piercing. The probe is supplied with a clear, removable IC cap covering the tip.

Body accepts a 4 mm sheath (safety) banana plug test lead.

Features:

- 1,000 V CAT IV rating
- Contact tip: Stainless Steel
- Clear, removable IC cap
- Long reach design: 136 mm (5.4") length
- Black and red colors standard; others available as special order

Black and Red pair available as Model CT2662
