[Probes](#) / [Accessories](#) / [Digital Multimeter \(DMM\)](#) / CT3941B

CT3941B : Extended Tip Adapter, 3900B Series UL, 50mm, B/R Pair

Extended Tip Adapter, 3900B Series UL,
50mm, B/R Pair

UL listed pair of extended tip accessories for 3900B Series DMM probes. Tips are 1.5 mm (.059") dia. x 50 mm (1.97") long extra-sharp stainless steel. Tip bodies are insulated by clear Kynar® sleeves.

Remove the probe's safety cap to access the 2 mm diameter pin tips and attach extended tips. Tips "snap-lock" to the probes for firm attachment.

Features:

- Pair, black and red
- 50 mm (1.97") long stainless steel extra-sharp tips
- Clear Kynar® sleeve insulation
- "Snap-lock" to probe bodies
- UL 61010-031 rated

IEC Rating	300 V CAT II
